Dear ACS Families,

We are so happy to have you as part of our Annunciation Catholic School Family. We look forward to having you back as part of our strong academic and faith filled community for the 2018-2019 school year. As you know, the re-enrollment window is now open. After a year without a tuition increase, it was our goal for this coming school year to keep the tuition increase to a minimum in order to help our families continue receiving a strong well rounded education for their child(ren). In that regard, we have added an additional discount for families with 3 or more children and the increase will now include local field trips as well as some of the additional fees such as art, locker and recess fees. The tuition for the 2018-2019 school year is:
